Notes:

No further information is necessary

We provide this advice based on our own tests and experience and to the best of our knowledge. However, we assume no liability for the application results in individual cases due to the large number of applications and the storage and processing conditions that lie outside the scope of our influence.

This also applies to the use of the non-binding technical and commercial customer services provided by us. We always recommend that users perform their own tests. We guarantee the consistent quality of our products. We reserve the right to implement technical changes and to further develop our products.
